

Mission Statements

(established in 2017 at parent/coach meeting)

Coaches: Our primary objective of the Sibley Rec Youth Coaches is impacting youth in the game of life. Our hope is that each Sibley Rec player is able to improve their life skills and sports skills, as well as become a team player at home, in school and on the court/field. Our commitment is to provide a positive, age-based developmental Rec program for the children of the community we serve. We are dedicated to helping kids reach their fullest potential as people.

Parents: We will work as a team and support each other on and off the court with positive encouraging attitudes.

Players: S-O will be champions, models, and competitors on and off the court/field by showing unity, respect, and excellence through hard work and commitment.
