

Sibley-Ocheyedan Elementary Gym Reservations

Sibley-Ocheyedan Community School and Sibley Parks & Recreation have established guidelines for all athletic practice reservations held at the elementary gym outside of school and park/rec activities.

- Sibley-Ocheyedan School and Sibley Park & Rec activities take precedence for gym time. All other practices may be scheduled around them. If you would like to schedule gym time it may be scheduled through Sara, Sibley Parks & Recreation Director.
- Adult supervisors, coaches, or parents will need a membership card to the elementary gym for access. Memberships may be purchased through Chrissy Ackerman at the high school for \$60 a year.
- Teams must provide their own equipment. If teams would like to utilize the Sibley Parks & Recreation equipment there will be a \$50 yearly fee and are responsible for any damages. Volleyball nets may be utilized for free.
- Gym times may be reserved in a 2 hour maximum time limit per day.
- Reservation requests for Saturday or Sunday may be taken but individuals with gym memberships are allowed to utilize the gym at the same time. If you would like to reserve the gym on the weekend without interruption, a contract must be filled out through the school.
